

CLUB TORQUE

Sunday 13th May – Woodenbong and Border Range cruise. A chilly start to the morning at our meeting point. Hot coffee and morning tea in Beaudesert was welcomed as the sunshine started to warm the day up, with not a cloud in the sky. After departing Beaudesert the picturesque cruise commenced travelling along Lions Road with a few stops to embark on the scenery before our final destination in Yowie country, Woodenbong Pub for lunch.

Sunday 20th May – Barefoot Bowls, lunch and trivia at Woody Point. Relaxing day filled with fun and games had by all on a spectacular Autumn day.

Sunday 3rd June – Beenleigh Rum Distillery tour and lunch at the Outback Café Canungra. Our first event for winter was an amazing warm day with our first stop was at the distillery for a guided tour and some Rum tasting for a few members. We then headed to the Gold Coast Hinterland for lunch to the very busy Café. After members found a parking spot we enjoyed a great lunch with memorable moments from clubbies.

Sunday 10th June, due to unforeseen circumstances our annual dyno day at Bob Romano's with QCOC needed to be cancelled/postponed. We will endeavour to hold the event at a later date in 2018/2019.

Saturday 16th June – BBQ Breakfast and Detailing Class at Bowden's Own. Amongst great company from some team members at Bowden's and QCOC. We brushed up on our detailing skills and learnt some new ones, also plenty of laughs had by all.

Sunday 24th June – A chillie sunny winters day for a cruise to Pioneer Village for a history lesson and demonstrations on how some of the old machinery worked back in the day. Cottone's Café Gatton was our lunch destination, where clubbies enjoyed a great meal while socialising and reflecting on another successful event.

Sunday 1st July – The 7th Annual Muscle on the Mountain Car Show at Maleny. A cloudy warm day with a few drizzles of liquid sunshine. The cruise up the mountain was very foggy and picturesque. There was close to 1200 cars on display. A fantastic day of friendship was had by everyone.

Sunday 15th July – The 36th Annual All Ford Day at Willowbank. A chilly -1 degree to start the day. After a quick set up of our club display, we chased the sun to defrost. Over 1300 Fords on display, drags and many trade stalls to keep everyone entertained for the day. Congratulation to our trophy winners Mark H, Scott A & Brandan C.

Friday 20th to Sunday 22nd July – Supercars round 9, the Ipswich SuperSprint. Turn 2 action and antics from our Club Park and View area.
