Sunday 5th July – Yowie Park, Kilcoy and lunch at Toogoolawah Hotel. Our first destination was Yowie Park, a picturesque place to visit, markets in the historic buildings, Yowie coffee van and a sparkling lake. Lunch at the hotel was enjoyed by all, fantastic food at great prices. Good times throught out the day with many stories to tell and laughs to be had on a spectacular winters day.

Sunday 19th July – AFD cancelled due to mass gatherings restrictions. Last year there was over 1400+ Fords on display.

Sunday 19th July – Commencing the day at Mount Coot-tha Botanical Gardens, members then cruised into the town of Esk for a well-earned coffee and some morning tea. The next leg of the cruise was a pitstop at Cormorant Bay to embrace the scenery and for those who required the amenities block. Lunch was a fantastic gathering in the beautiful setting of Meringandan Hotel, where we all had too much to eat and embraced the friendships with many laughs.

Sunday 2nd August – Turner Park in the heart of Beerwah was our first destination. Members enjoyed a beautiful day of sunshine in the park, only a short stroll to numerous coffee shops and eateries to quench the thirst and hunger while we all enjoyed the company of all members in attendance. Our next destination was Linville 1 hour & 10 min drive from Beerwah. On arrival we visited the historic rail carriages and train station before lunch in the beer garden, under the warm winters sun at the newly renovated Linville Hotel.

Sunday 16th August – Scenic cruise through Boonah, Fassifern Valley, Teviot Brook, Carrs Lookout, Queen Mary Falls and Queen Mary Falls. Travelling the Great Dividing Range offered beautiful scenery as we cruised through the landscapes on some narrow but well-maintained roads. Sunday 6th September – All Aussie 'Father's Day' at Lakeside Raceway. Large crowds and a variety of Aussie made cars on the infield. Many spectators around the outskirts of this historic racetrack. Members enjoyed socialising, track time and some took part in the private session with QCOC with only 30 cars on track. We were lucky the rain held off till after the event.

The Ginger Factory in Yandina was our next destination, where we enjoyed the beautiful landscape gardens, rainforest, more shopping in the treat and gift stores before lunch near the Turtle Pond. After lunch we strolled across the road to Nut Works & Chocolate Factory to tease our taste buds even more. A hot day, good times, and plenty of shopping of treats was taken home.
