

CLUB TORQUE

Sunday, 6th October – Banana Bender Inaugural Auto Spectacular. A steamy 30+ degree day with 150+ immaculate cars on display. Market stalls, live music, Bowden's, raffles, chocolate shop, food options and much more to entertain everyone. What an amazing Pub to hang out in, well organised by Kylie and Troy P. Announcement was made at the presentations that the show will be back in 2025 with provision for another 50 cars and a few little issues ironed out. We will have the event on our calendar for 2025 attendance.

Sunday, 3rd November – Panorama Motorcycles & Lockyer Hotel Lunch Cruise. Panorama Motorcycle and Memorabilia Museum, Boonah was well worth the visit. On arrival to the museum owners had freshly made a lovely Devonshire tea for all of us to enjoy before a personalised tour of this amazing personal museum displaying motorcycles to bottles and everything in-between. After the museum we embarked to a scenic drive to the Lockyer Valley Hotel for a delicious huge traditional pub meal and their own craft beer on tap.

Saturday, 23rd November – Breakfast and Track Time with SS Streeters at Lakeside Park Raceway was cancelled due to the all the wet weather we are experiencing.

Sunday 8th December – Christmas Party at Bribie Island RSL upstairs Garden Room. Members celebrated our last event for 2024 in style, with nicely decorated tables, delicious 2-course meal, awards and plenty of raffle prizes.

3024+

727+

We thank you for your ongoing support and hope you enjoy our December 2024 edition of Club Torque.
