

CLUB TORQUE

Sunday, 19th January – BBQ/Picnic and Trivia at Mowbray Park, East Brisbane. Few showers greeted us in the morning before the sunshine, lovely spot under the huge trees with views of the Story Bridge, City and all the boat traffic on the Brisbane River. Great times socializing and the fun that Trivia creates. Congratulations to our trivia winners, Dan M, Chris B, Mark H & Yvette C.

Sunday, 2nd February – Big Pineapple and Kings Beach – Fabulous cloudy day with a few sprinkles of rain that kept the temperature down. After our meeting point, we cruised to the Big Pineapple where members enjoyed the Train Ride, Inside the Big Pineapple, Hill Top Tree Challenge, Café, Gift Shop and the Zoo. Worth the visit, but up to 2 years away before the large existing building is open back to its glory days. We then departed for Kings Beach, before our Tavern lunch booking many members wandered through Alexandra Parklands to the beach which is well worth it if you're in the area. Kings Beach Tavern did not disappoint for lunch, delicious meals, friendly service and a great view.

Sunday, 16th February – RAAF Amberley Air Base Open Day and Grumpys Diner Lunch. A very steamy, muggy summers day for today's event. Members thoroughly enjoyed the RAAF open day, security was tight, a few car searches and blocks of 5 vehicles to enter and exit, but as long as your identification matched up with online induction and online tickets all was good. Grumpys Diner in Plainland stepped you back in time to the 70's with its retro theme and menu options that everyone totally enjoyed.

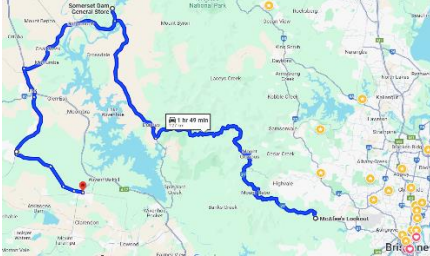

Sunday, 9th March – Event cancelled due to cyclone Alfred.

Sunday, 23rd March – All Aussie Day at Lakeside Park Raceway. Our club cars and QCOC took part in a private session, with only 25 cars on track we all had plenty of room to experience all lines of the racetrack. Cloudy most of the day, a showers before the first track session, very high humidity 96% on a 28-degree day. Fordtastic hot day had by all.

Sunday, 30th March – Curvy Country Cruise to Coominya – Beautiful weather after all the rain for a scenic cruise. Pre meet was at McAfees Lookout Enoggera before departing for Somerset Dam, driving the windy mountainous roads through Mt Nebo. After a brief stop at the dam, it was time to take the scenic route via Esk and Mt Halen to Coominya's old fashioned Bellevue Hotel where we enjoyed lunch, a cool beverage and more good social times before we departed ways to drive home.
