

Club Torque

Sunday, 6th July – Fantastic line up of club cars today for our cruise to Esk, Crows Nest and Meringandan. From two meet up points our first destination was for morning tea at Valley Roasters, Esk and a brief browse in the local Op Shop. Back on the road again to Crows Nest Museum & Historical Village for an informative talk and a browse around this magnificent place. Our final destination was for lunch at Meringandan Pub where the meals were delicious and huge. Fantastic safe cruising day had by all.

Sunday 20th July – All Ford Day at Willowbank Raceway. A spectacular Winters Day for a car show. There were probably over 1400 Fords on display, the very popular ¼ mile drags, dyno competition, trade stalls and much more to entertain you throughout the day.

Congratulations to our club trophy winners: 1st Scott M – FG GT, 2nd Chris B – BA XR6, 3rd John S – FG XR8. Another successful AFD hosted by the GT Owners Club.

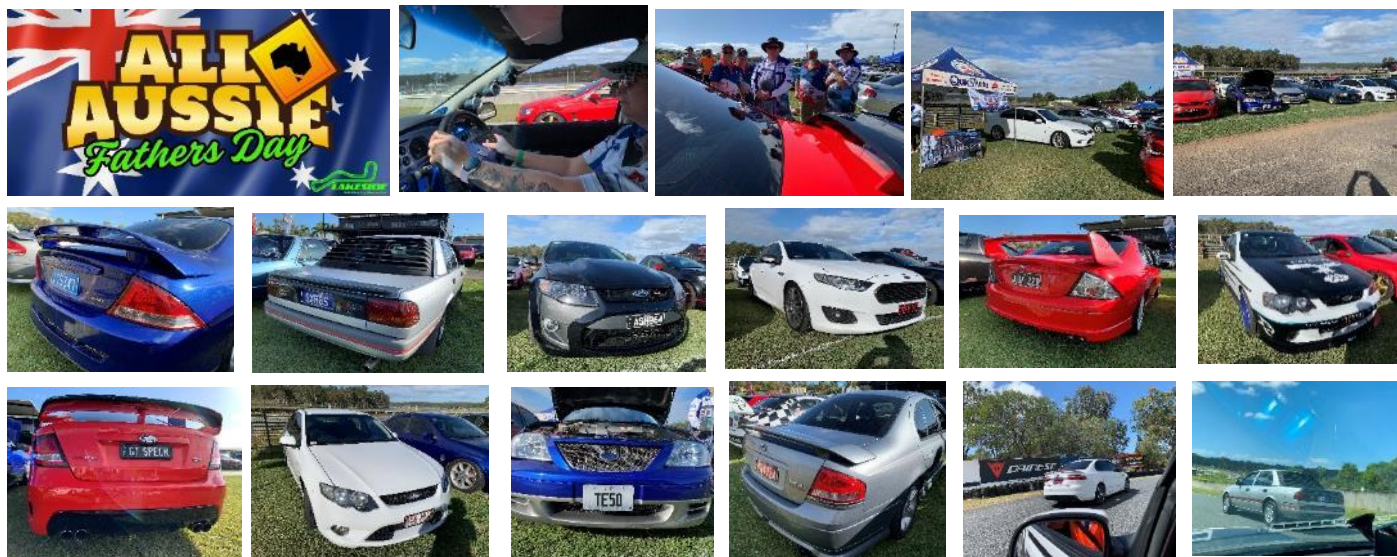

Sunday 17th August – Silver Anniversary 25-Year Club Celebration. Wow, we are so proud of this achievement, we picked a perfect Winters Day for celebration at Browns Park Ipswich. Many members assisted in making this event a success for all that were able to attend. Nibbles, welcoming message followed by an informative talk on how the club was established, history trivia with some great prizes, raffle draws, BBQ lunch and cutting of the cake before it was time to clean and pack up.

Sunday 31st August – Annual General Meeting electronically commencement held over 14 days for the Office of Fair Trading and club registration renewal.

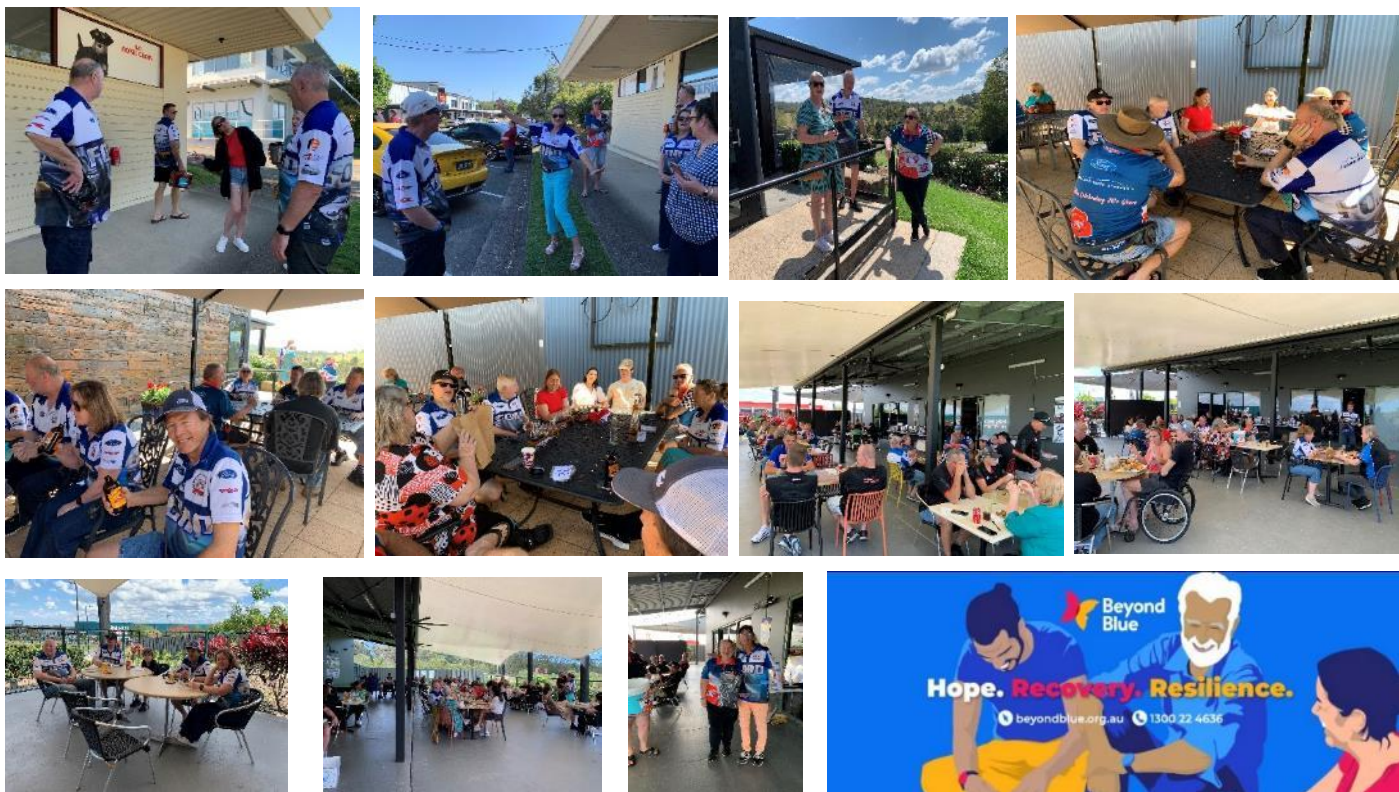

Sunday 7th September – Father's Day at Lakeside Park Raceway. Fantastic weather for an awesome day. Combined private cruise session with QCOC, with only 22 cars on track there is plenty of room for all of us to use all lines of the racetrack.

Sunday 14th September – Annual General meeting closure 2025. The elected committee for our 2025/2026 period is: President Michael Dutton, Treasurer David Follington, Secretary Christine Besgrove and Membership Officer Gavin Bidgood. Subcommittee members remain the same.

Sunday 21st September – Beyond Blue Charity Cruise with QCOC, fantastic turnout of over 40 cars and 80 plus people cruising the hinterland roads with its twists, turns and elevations on a beautiful sunny day. Meet up was at BP Bruce Highway, Morayfield, from there it was to Turner Park, Beerwah where members socialised around their cars, in the park and ventured across the road for a beverage. Our next leg was to Ocean View Estate Winery; some members participated in the wine tasting and others enjoyed a different beverage while taking in the spectacular views and landscaping from near the top of Mt Mee. Our last part of cruising was to the Big Fish Tavern, lunch was delicious, great area for us on the balcony, talks and our raffle draws. A very successful, enjoyable day had by all raising \$1194.50 for Beyond Blue.
