

Club Torque

Sunday, 5th October – Banana Bender Auto Spectacular. Fantastic day with approx. 150 awesome cars on display, trade displays, Bowden's Own and great crowd numbers.

Sunday, 19th October – Gold Coast War Museum & Beechmont Hotel. Beautiful weather for a club cruise. We departed Maccas at Springwood with our first stop at The Gold Coast War Museum. This museum is quite large, filled with memories of Australian War memorabilia large and small from the past to current times. Departure from Museum we then took the back roads from Mudgeeraba to Upper Worongary and through picturesque Gilston which gave us some amazing views of the Gold Coast. Lunch was at the Beechmont Hotel for a delicious lunch, cold drinks and wonderful conversations with a few laughs.

Sunday, 23rd November – Old Petrie Town, McGavin View & Woodford Hotel lunch. Morning thunderstorms, not ideal for Markets and North Pine Dam for our first two destinations. The event was cancelled and rescheduled for next year.

Sunday, 7th December – Christmas Party at Hog's Breath Cleveland. Beautiful outlook onto the canal with a marina, gentle breeze from the water onto our covered deck area made it very pleasant. A fantastic time had by all socialising, delicious food, great service, raffles, event game and more to finish up a fantastic year of success, made possible from all our members and sponsors.
