

Club Torque

January 2026, club trailer detail ready for the new year.

Sunday 18th January – BBQ/Picnic and Trivia at Vic Lucas Park Bulimba. Nice little park on the Brisbane River with all your basic needs. The weather was not in our favour, we commenced at 9:15am having a great time socialising and 33 trivia question auto related. Winners were Chris & Trinity, runners-up Ash & Julie and Ken & Donna receiving a prize. About 11:15am the skies were getting black we were able to get packed up before the storm hit, but we did get a bit wet. It was a shame that we had miss out on the BBQ and further great times for a few more hours.

Sunday, 1st February – Yowie Park and Linville Market and Hotel Lunch. Departing from BP Roadhouse Morayfield we cruised into Kilcoy's Yowie Park, for morning tea, beverage, Arts & Crafts markets and Yowie spotting. Our next leg of today's cruise was into the township of Linville for a visit to the Hall Of History and pub lunch at the Linville Hotel. Great day had by all on a very steamy summers day.

Sunday, 22nd February – Wellington Point, Sirromet Winery and Jacobs Well. Departing Maccas at Cannon Hill we cruised down to Wellington Point near the Jetty and Oxleys on the Bay, beautiful spot, low tide an enjoyable time before we departed cruising to Sirromet Winery, some members participated in the wine tasting, beautifully manicured gardens and landscaping and spectacular views. Our final destination was at Jacobs Well Tavern for lunch, a 45min drive from Sirromet, lots of cane fields on the last part of the drive. Everyone had a great meal and continued good times before heading home.

Sunday, 22nd March – All Aussie Day at Lakeside Park Raceway. The weather started out fabulous but with the threat of rain which hit us hard about 9:30am turn the grass infield to slosh and a very wet track. Minor delays on track when it was raining heavy for everyone's safety. Our private session was bought forward by Lakeside, but quite depleted due to a wet track.

Saturday 28th & Sunday 29th March – Granite Belt/Tenterfield NSW Weekender, “Making Memories”. What a weekend, majority of us leaving from Yamanto then on our pitstop in Warick we met up with the remainder of our group. Destinations we visited on the way to Tenterfield are thoroughly recommended as follows: Granite Belt Maze at Glen Niven, Sancerre Estate Vineyard at Ballandean, Girraween National Park and Heavenly Chocolates at Ballandean. Each place offered something unique for us to enjoy. It was then onto our motel rooms for a bit of time and chillout before our dinner booking at the Commercial Boutique Hotel which was only 10min walk from our motels. Beautiful, restored building inside and good food. After good night’s sleep our breakfast booking was at the Kitchen Garden Café, quaint little place in town, amazing food and service. Tenterfield Railway Museum was our last destination in Tenterfield, this must-see museum for its rich history, heritage, artefacts and the way everything was displayed was truly amazing. A quick stop on the way to Warick at the old trainline bridge that unfortunately is falling apart but made a great pic. Warick stop to refuel and lunch at the Garden Café, another amazing place to wander through its surrounds with all the plants, pots, statues, little sheds and much more. The café section is quite large and food was superb. After lunch majority of us departed our separate ways to head home safely.

We thank you for your ongoing support and hope you enjoy our March 2026 edition of Club Torque.

This year our chosen Charity to support is Nourish Street Inc. The event is combined with QCOC in September. Nourish Street supports people, families experiencing homelessness. They rely heavily on community support and fundraising for food, clothing and so much more for the homeless. There is a link on our website front page or you can follow their amazing work on Facebook.

Food collection and distribution for those in need - Brisbane
