

# Club Torque

Saturday, 11<sup>th</sup> April – Bowden’s Own – Bacon & Egg Roll then straight into the Demo. Different ways and technics on exterior detailing of club member Michael B’s FG XR6 and Dans GTS Monaro, plus a special treat on a new detailing items not available in store yet. Many thanks to the Bowden’s Team on a fun informative morning.

Sunday, 3<sup>rd</sup> May – Old Petrie Town Markets, McGavin View at North Pine Dam and Woodford Hotel Lunch – After the showers all week today was spectacular warm sunny day. Meet up was at the large markets where members wandered around to enjoy what they offer before a short drive to McGavin View. The park was quite picturesque, a lookout to climb, amenities and a playground plus we done some pictures of our cars. Our last drive was 50 minutes into Woodford where the lunch was delicious and a huge, charming deck area to enjoy the afternoon with great friends.

**Saturday, 9<sup>th</sup> May – Marburg Showgrounds Parade & Pub Dinner Marburg – We received an invitation from Marburg show society to take part in the parade around the arena. We arrived a few hours earlier to wander, enjoy all the attractions, stalls and happing's that Marburg put on for their annual show. Approximately 5pm it was our turn our club leading the way out followed by QCOC and then Utes from the show & shine. Lap two we nosed into the grandstand, a short interview, handed out a few giveaways for the kids and a salute to the crowd before exiting. Dinner was at the Marburg Pub on the back deck, good service and food. Overall, a Fordtastic time had by all that were able to attend.**

Sunday, 14<sup>th</sup> June RACQ Motorfest – Another successful Motorfest by RACQ. We were all lucky the rain showers stayed away for us today the infield was fine but around the track was still slosh between all the large rubber mats. Great day had by club members that were able to attend.
